

LANDLORD INCENTIVES

At WVCEH, we help people with housing because we want to end homelessness; it's that simple.

We can only do this when we have great landlords who understand the benefits of working with our programs. We know you invest time, money, and resources into your rental property, and we want to say **Thank You** for being part of the solution.

How does it work?

✓ First-time landlord partners will receive a **\$1,000 incentive** for the first qualifying unit leased to a program participant.*

✓ Existing landlord partners will receive a **\$500 incentive** for each qualifying unit leased to a program participant*.

✓ In addition to providing direct payments for security deposits and temporary rental assistance, WVCEH has the tools & resources to help maintain units in good repair.

✓ Program participants receive in-home case management services to reduce risk factors for homelessness & loss of tenancy.

*Qualifying unit must meet habitability & Fair Market Rent standards. Program participants must meet eligibility requirements. Incentive payments will be provided while funds last. See FAQ for more details.

Don't miss out! Funds are limited.
