Treatment options in Fayette County

New River Health 304-469-2905

- Providing MAT and there currently is no waiting list. Medications include Suboxone. The program requires 4 hours of weekly meetings, behavioral health once a month, random drug screens, and visiting NRHA once a week are some of the program requirements. Please contact Amy Lively at 304-465-2255 and she will conduct an interview and schedule the induction.

FMRS 304-574-2100

- Providing Substance Use Disorder Therapy with two full time therapists. We have restarted in person groups. Offering individual therapy and group therapy. Medication Assisted Therapy include Suboxone, and Vivitrol. We also offer outpatient services, Opioid Use Disorder (OUD) medication, Alcohol withdraw, and Medication Assisted Treatment Access for Rural Appalachians (MARA) which is a wraparound service providing case management and transportation. Also, the Beckley Treatment Center does provide services for Fayette County residents. They offer counseling and medications include Suboxone, Vivitrol and Methadone.

Fayette County Health Department 304-574-1617

- Harm Reduction – Wednesdays from 1-4pm at the Health Department or by appointment. The mobile unit is in Smithers and Page every other Thursdays. Applying for licensure to do Harm Reduction in Smithers through the mobile unit and potentially to other communities. Working with FMRS to do low barrier induction and telehealth.

Breakthru 304-860-8183

- Providing Medical Management Withdraw from Opioid, Benzodiazepine, and Alcohol. Located within Plateau Medical Center, participants stay on average 3-5 days in a private room within the hospital. The program has around 2-3 participants each week and participants receive an after care plan prior to leaving. They follow participants for up to a year after completing the program, as of now, 90% of participants are in recovery. They accept Medicare, Medicaid and commercial insurance plans.

- Medication Assisted Therapy include Vivitrol and Buprenorphine

Generations Health & Wellness 681-823-4257

- Currently housed in Oak Hill, offering counseling, urgent care and primary care services. Open every day throughout the week

Roundtable

Cindy Whitlock – NRHA & BOE Member

NRHA is housing an open house at our new location on December 1st from 3-6pm. We are implementing a healthy grandfamilies program at Valley PK-8 starting in January, when participants graduate we plan to give them some type of kitchen application to making cooking at home easier. The program will start right after school. On December 14th, there is no school for students, the Valley teachers will have a paint and sip party that day to thank them for what they do for our students. A reminder that Active Southern WV is hosting their annual run/walk at the County Park this Sunday.

Teri Harlan – Health Department

The Health Department offers vaccines and primary care services. We will be participating in a workplace wellness program after the winter holidays

Rhonda Chuyka – Project AWARE

We do have a therapist at Valley PK-8. We are working through refining our referral process to ensure our data is more objective and subjective. Project AWARE schools have started to identify their programs, OHHS has all theirs selected. OHMS and Valley have 1 more program to select

Carri Strunk – Fayette Prevention Coalition

I'll be providing a Narcan training to 116 staff at OHHS on December 14th

Next Meeting: Tuesday, December 20th at Noon
