

Fayette County Family Resource Network (FRN)

Our Mission

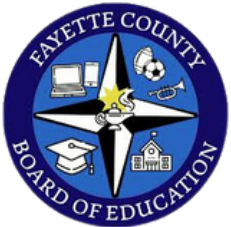

To strengthen individuals, families, and communities through education, mobilization, resource development, inter-agency coordination, strategic planning, needs assessments, and ongoing evaluation of services.

Our Partners

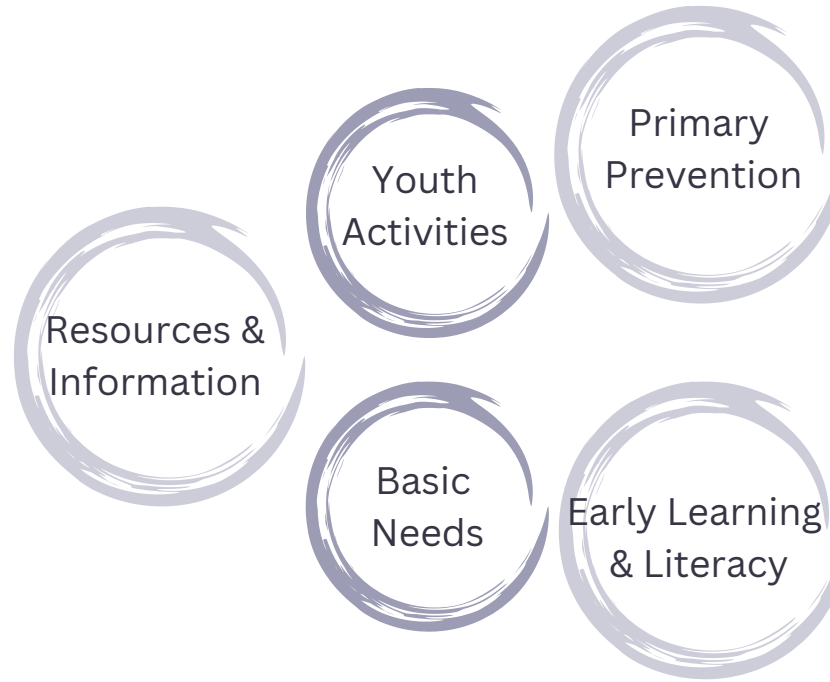

As a nonprofit, community collaboration is key to our success. By working with local stakeholders, including the ones listed below, we interact with a variety of individuals, youth and families.

SERVICES**

Our Scope

Our Work

As a network of community members and agencies, the FRN hosts monthly meetings, seeks funding to support community initiatives, maintains an online resource directory, assists education and prevention programs, and maintains network communication.
